General crop conditions in Kentucky are good in spite of the heavy precipitation, according to the monthly crop report just issued by M. C. Rankin, Commissioner of Agriculture. His report gives the general conditions as regards all sorts of grain and fruit, and he also urges that more attention be paid to poultry and eggs, which are a valuable source of revenue for the farmers. Scale has appeared in wheat in some sections and in others the wet weather has greatly damaged the grain.

The good people of Forest avenue, residing between Lexington and Commerce streets, were greatly annoyed Tuesday night by the outrageous conduct of three colored girls—Nannie Cooper, Alice Payne and Retta Nelson. Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger but not dyspepsia. The confirmed dyspeptic is fit for treason, stratagems and spoils. The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault finder.

A sound stomach makes for good citizenship as well as for health and happiness.

Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of

Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY. It builds up the body with sound flesh and solid muscle.

The dealer who offers a substitute for the "Discovery" is only seeking to make the little more profit realized on the sale of less meritorious preparations.

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for the cloth bound. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

Cures Dyspepsia; Trial Is Free

It is a popular mistake that only wealthy people who eat rich and highly-spiced foods suffer from dyspepsia, or, as it is also known, indigestion. The laborer in the street, the worker in the field also finds himself a victim of this disorder. Among the very greatest sufferers from it are women.

Dyspepsia is indicated by a constant feeling of laziness, by loss of appetite and troubled sleep, by sour stomach and distress after eating, by bad complexion and listless eyes.

There is no surer and speedier cure for this trouble than Dr. Caldwell's Syrup Pepsin, which dyspeptics have been using for twenty years. It is a powerful laxative compound prepared Capt. Clark, of Buffalo, La., of dyspepsia and sour stomach that he had had for forty years, or until the lucky day that he heard of Dr. Caldwell's Syrup Pepsin. He cured Joe Adams, of Montgomery, Ala., after suffering continually for sixteen months. There is only a few of these cases. But it is not expensive to be cured with this grand remedy, as it can be bought at any drug store in a 50-cent or \$1 bottle.

Your very neighbors are probably lifelong users of Dr. Caldwell's Syrup Pepsin. They are too busy to know what expense it will do for you personally to send your name to Dr. Caldwell and he will be glad to send you a free trial bottle. He is actually anxious to have you make a test of his remedy.

Thousands of families everywhere keep this remedy against such an emergency as constipation, sour stomach, indigestion, biliousness, dyspepsia, heartburn, torpid liver, etc., which may come on a member of the family any day. It is pleasant to the taste, acts gently and does not gripe. It is the great children's laxative tonic.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

GUARANTEED TEN YEARS.**

This mark on a bed or crib means you have the best that money can buy. The makers of these beds must keep up the quality or they could not afford to give an absolute ten-year guarantee.

EVER HAVE IT?

If You Have the Statement of This Maysville Citizen Will Interest You

Ever have a "low-down" pain in the back?
In the "small," right over the hips?
That's the bane of backache.
It's caused by sick kidneys.
That's why Doan's Kidney Pills cure it.
Maysville people endorse this. Read a case
of it:

Frederick Dresel, 1238 East Second street,
Maysville, Ky., says:
"I consider Doan's Kidney Pills to be a most
excellent remedy for kidney trouble and am only
too glad to speak in their praise. About five
years ago I was bothered by weak kidneys and
the secretions were scanty and attended with
pain during passage. Severe pains across the
small of my back were frequent and at times
greatly interfered with my work. While tell-
ing a friend of my condition, he advised me to
use Doan's Kidney Pills and I procured a box
at J. J. Wood & Son's Drugstore. I used them
according to directions and they afforded me
prompt and effective relief."

For sale by all dealers. Price 50 cents

praises of its sun-like glow and whiteness.
Stamped on the public mind as the "Light
of Quality," with the advent of the Tung-
sten Lamp it now challenges comparison
of efficiency and cost. : : : : :

When in the course of human events it becomes necessary that people wear shoes, and that the people of Maysville and surrounding country are absolved from all allegiance to high-priced shoe stores, and as free and independent people they have a right to buy shoes where they can get the best for their money, a decent respect for the opinion of their neighbors and a consideration of their own interest demands that they make known their reasons for deserting high-priced stores and buying Shoes from DAN COHEN only; and for support of this decla-
ration, judging the future by the past, we offer our firm reliance on the following pledge: "We mutually pledge to them our sacred honor that we will
